SHORE GOLD INC. ANNOUNCES MINOR CHANGE TO STOCK OPTION PLAN

Shore Gold Inc. ("**Shore**" or the "**Company**") announces that the Board of Directors of Shore has approved a minor amendment to the Amended and Restated Stock Option Plan (the "**Plan**") of the Company. The amendment provides that the total annual grant of options to any non-employee director cannot exceed a grant value of \$100,000. The Toronto Stock Exchange has conditionally approved the amended Plan, subject to the standard conditions of TSX, including requisite shareholder approval of the plan. The proposed amendment was made in part to address comments raised by Institutional Shareholder Services Inc. ("**ISS**") in the course of its consideration of the Plan. The terms of the Plan are described in the Information Circular for the June 16, 2015 annual general and special meeting of shareholders.

Shore intends to seek approval of this amendment when the Plan is considered by shareholders at the annual general and special meeting to be held on June 16, 2015.
